Joshua Tree Memorial Park has provided a place to honor the accomplishments and legacies of the High Desert communities since 1968. Our caring staff of cemetery professionals are dedicated to serving each family's unique wishes when it comes to choosing the most fitting burial option. We offer traditional cemetery gardens, natural "green" burial sites, scattering gardens, urn gardens, above ground columbarium and niche walls all together in one location. Here, the only rules and traditions are the ones you walked in with. We encourage you to leave behind any preconceptions of what a memorial should be. Create and walk your own unique path, discover your own rituals of honor and remembrance – be they profound, humorous, or sacred. We'll be there right beside you, step by step, guiding the way.
